Class of 1975

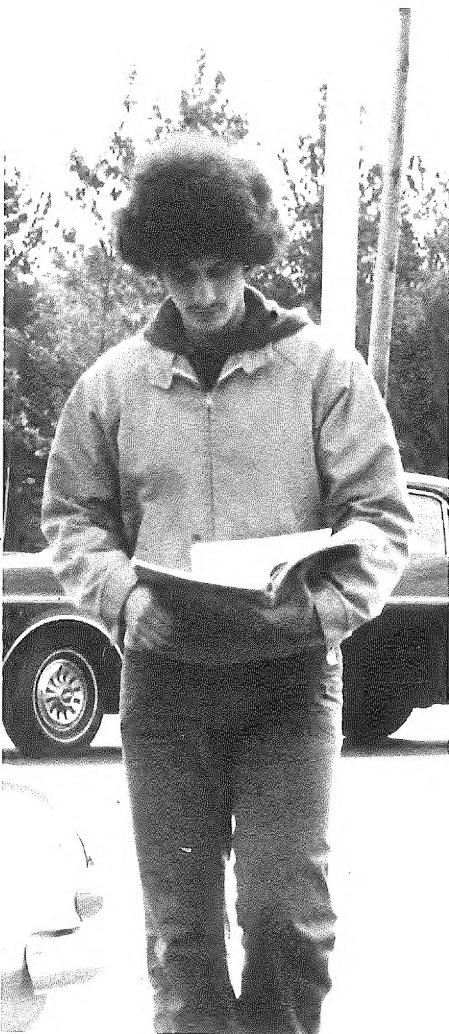

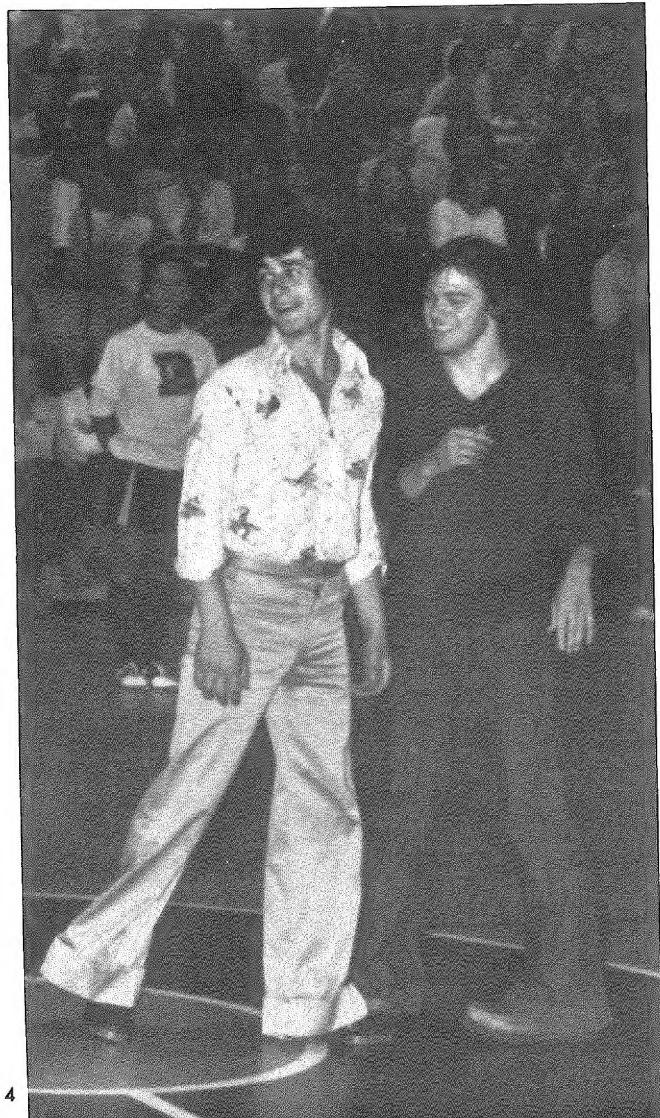

**It matters not how a man
dies, but how he lives —**

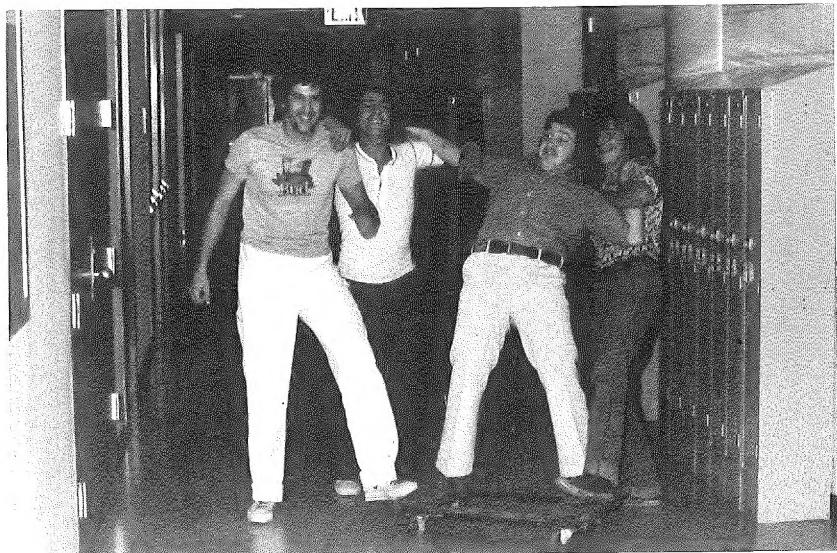

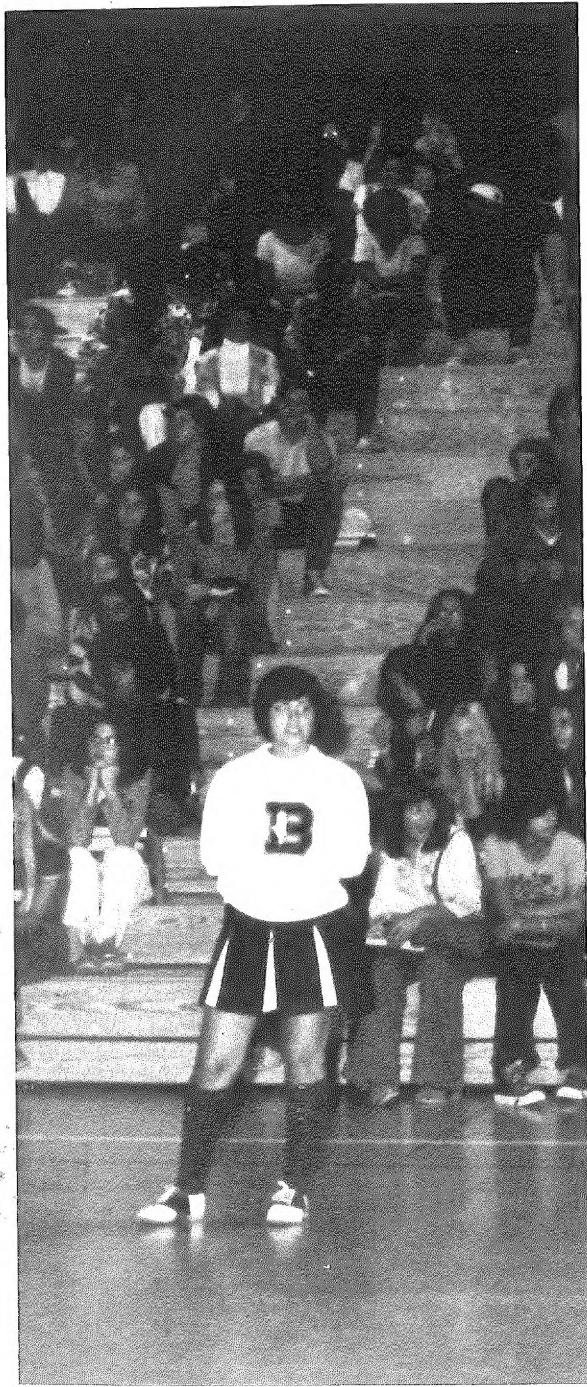

James Boswell

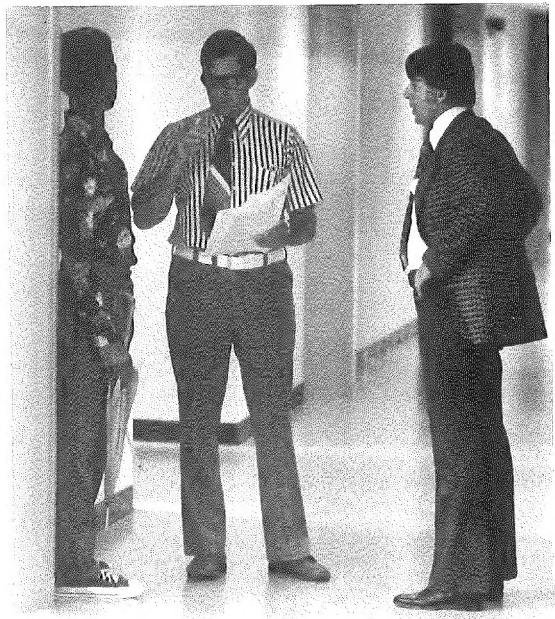

We can dig it!

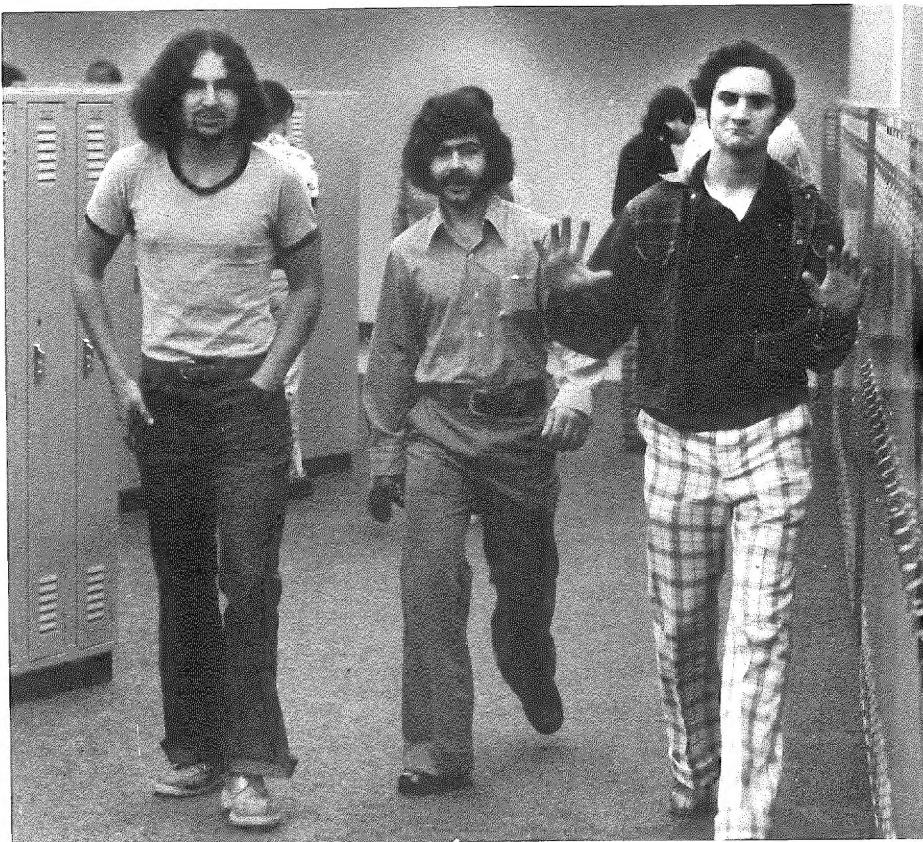

**The only way to have
a friend is to be one.**

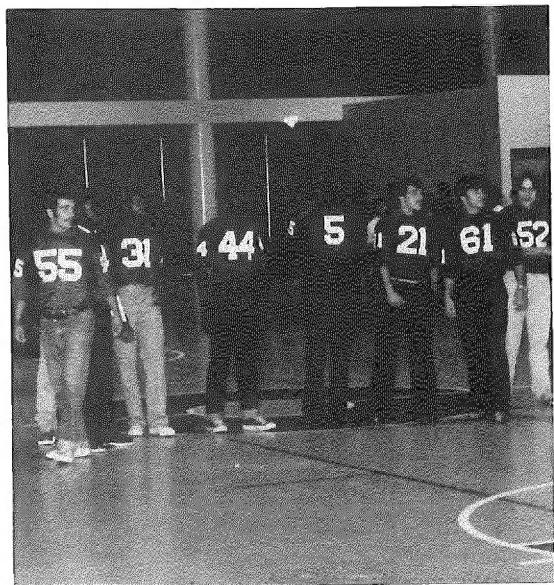

Ralph Waldo Emerson

Who says we're conceited???

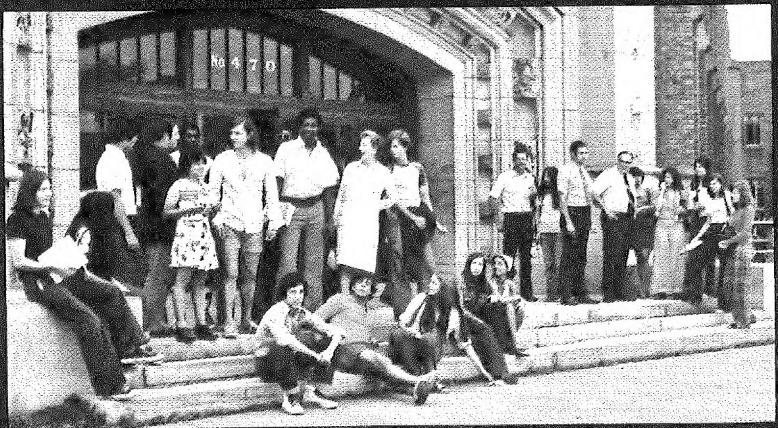

The Lord prefers common-looking people. That is the reason He makes so many of them —

THIS BUILDING IS NAMED IN HONOR OF
MORGAN GARDNER BULKELEY
BORN AT EAST HADDAM DECEMBER 26 1837
MAYOR OF HARTFORD 1880-1888
GOVERNOR OF CONNECTICUT 1889-1893
UNITED STATES SENATOR 1905-1911
DIED AT HARTFORD NOVEMBER 6 1922

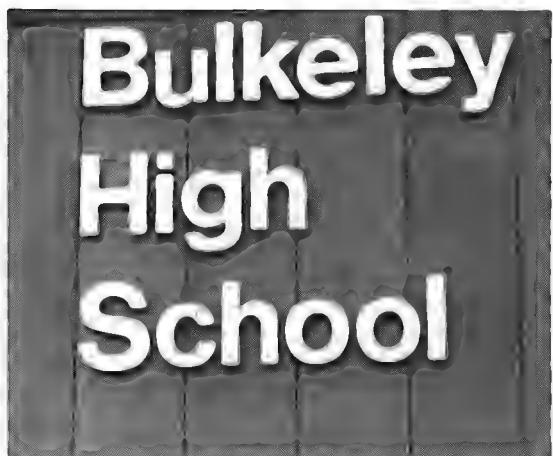

There's no survival for man without food, but
there's no survival for Bulkeley students with food.

Do I have any choice?

L I F E

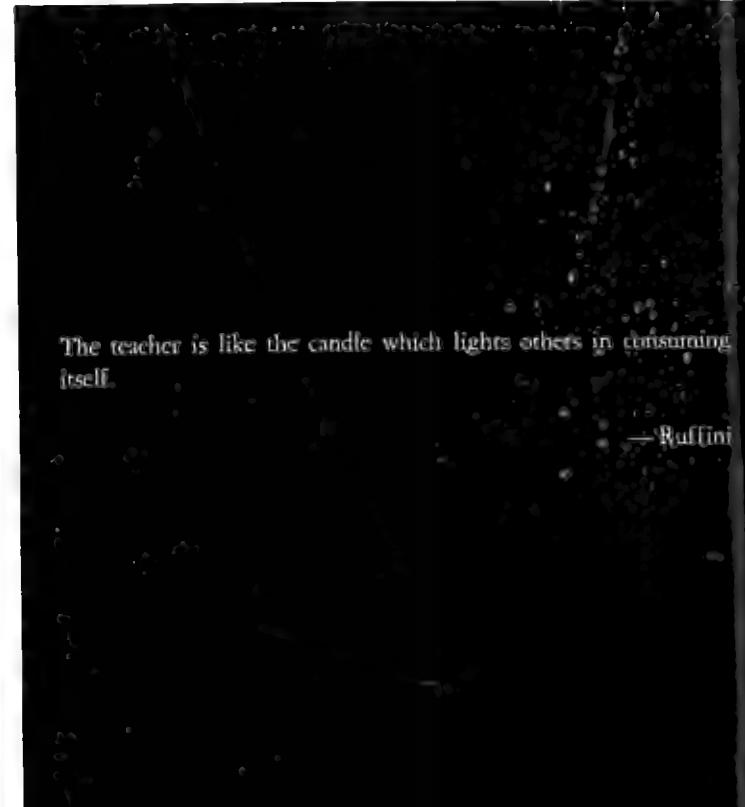

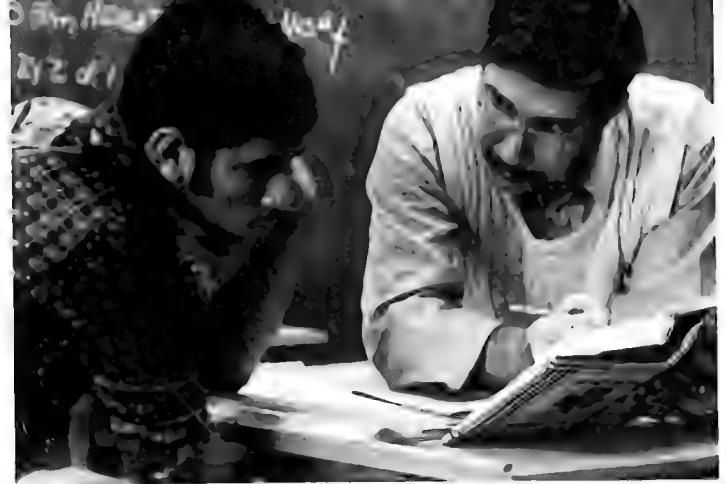

Can I help it if I'm cute?

I dare you to say that again.

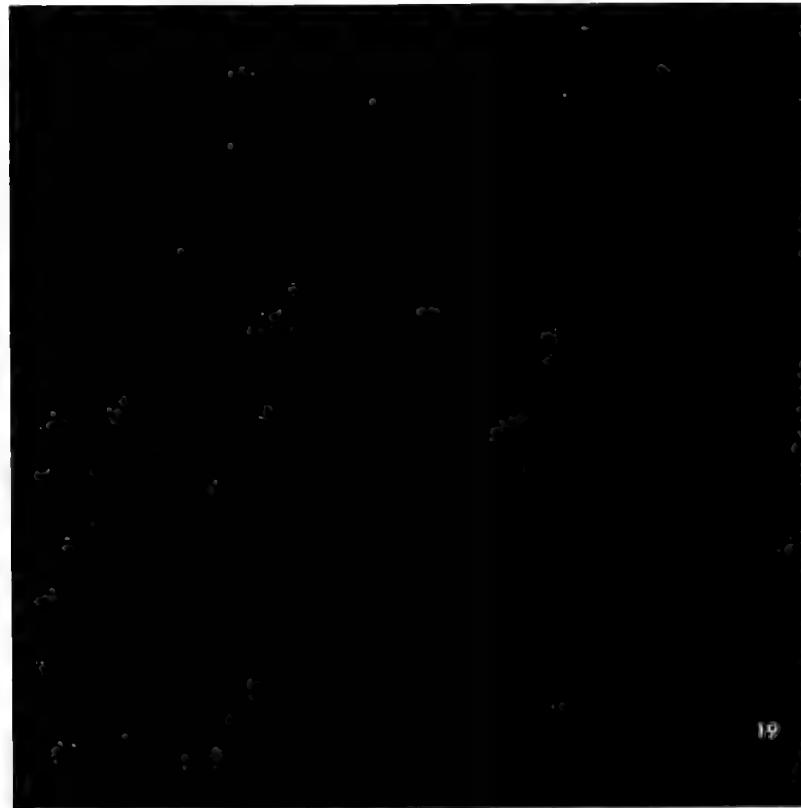

Despite the fact that Mr. Conlon is pictured behind his desk, he is the type of principal who is more often seen in the corridors talking with students, watching, observing, grasping and taking in all that he can about the school and its students. He has been at Bulkeley for only a short time and he has won the trust of the students. His patience and good judgment have helped us through the bad times and guided us through the good times. For these reasons we, the Class of 1975, dedicate our yearbook to Mr. Ralph T. Conlon, Jr.

The teacher is like the candle which lights others in consuming itself.

—Ruffini

ACADEMICS

Never forget Bulkeley. Look back and remember. Remember the people who kept it going, the faculty and the administration. Smile when you think of them. They helped make you who and what you are now.

Math

What we do may be small, but it has a certain character of permanence; and to have produced anything of the slightest permanent interest, whether it be a copy of verses or a geometrical theorem, is to have done something utterly beyond the power of the vast majority of men.

Science

Life is a wondrous phenomenon. I can only hope that some day man will achieve a deeper insight into its nature and its guiding principles and will be able to express them in more exact terms. It is this mysterious quality of life that makes biology the most fascinating of sciences. To express the marvels of nature in the language of science is one of man's noblest endeavors. I see no reason to expect the completion of that task within the near future.

In our books lives the soul of the past, the achievements and makers of the past, who when understood, can provide guidance for the future. Looking backward and evaluating what has happened is an important part of looking forward and planning for the future.

ORGANIZATIONS

Clubs are formed to help the spirit of a school. In the case of Bulkeley's fine clubs they just add to what a great group of people already had. We must appreciate what these organizations have done for us, and think about the changes and hopes they bring for the future. We say thank you to the clubs of 74-75 for a job well done; and good luck to the future clubs of BHS, who we know will do a job almost as good as we have done.

Yearbook Staff

Co-editors Tina Mercouriou and Georgia Trienis

The yearbook staff has had the difficult job of placing four years of memories, each one different in the minds of 350 seniors, into a short book of 200 pages.

Trying to take a piece of everyone's experiences and putting them into these few pages takes dedicated, hard-working and understanding people. We have been happy with our four years at Bulkeley High School and they will be easily remembered with the help of the talent of our yearbook staff.

THE TORCH

"Those who expect to reap the blessings of freedom, must undergo the fatigue of supporting it."

This year, the class of '75 has senior class officers every high school would be proud to have. We would like to give our thanks to these hard working people for their time and efforts. Remember the Battle of the Bands, remember the Greser's Dance, remember the Senior Reception, but most of all, remember the great people behind it, our senior class officers.

Honor Society

These seniors have been hand chosen by members of the faculty because of their leadership, character and scholastic ability. These are a fine group of people who have worked hard for four years and have earned the right to be as proud of their achievements and themselves as we are.

Thirty-Two Club

This club consists of the top 16 boys and 16 girls of the senior class. These people are well educated and have put a great deal of time and effort into their studies.

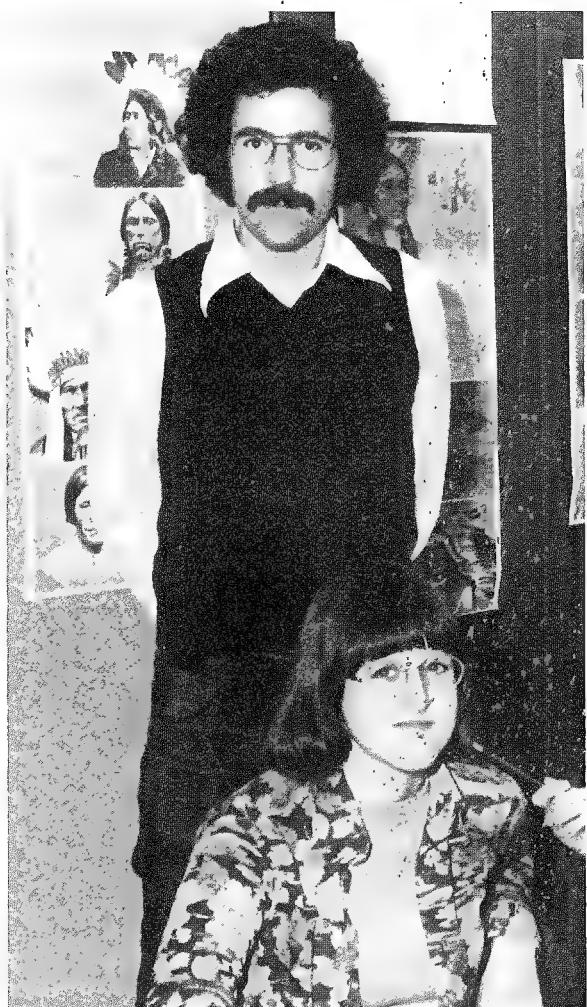

Student Council

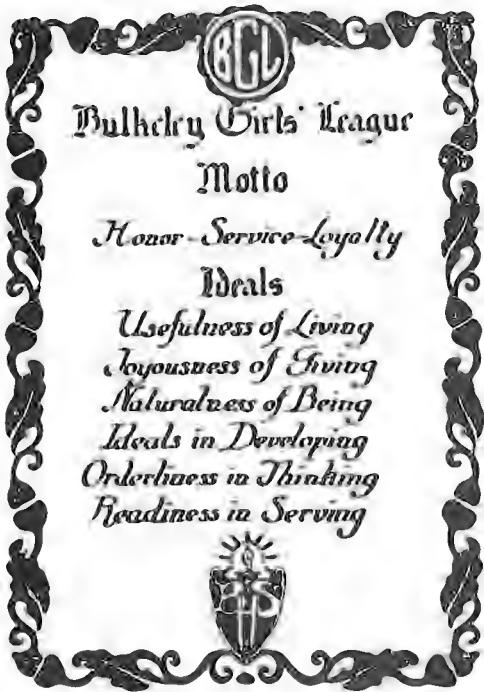

"The whole of government consists in the art of being honest."

Thomas Jeffer

"There is but one element of government, and that is the people."

John Adams

Girls' League

"You give but little when you give of your possessions. It is when you give of yourself that you truly give."

The Prophet —
Kahlil Gibran.

Human Relations

This club is made up of a group of people who are interested in people. If you ever walked down the hall and thought you saw someone you did not know, don't be disturbed, they were probably from another school — part of the student exchange program. They try to learn, comprehend and become friends with new people.

Black Awareness

The purpose of Black Awareness
is to provide social and
cultural activities for
black students.

Plans include sponsoring a
Black Cultural Festival
which includes black art,
music, literature and
history.

Bulkeley's Band

people to
play in
a band.

especially hard working
to be able to play
in a band as
good as the
band we have
at B.H.S., because they
are the
best.

Mat Maids

Mat maids are a group of girls who are supporters of the wrestling team and help them out whenever they are needed. These are hard working girls who have enjoyed themselves in helping the team whenever they were able.

Kaleidoscope

The people who work on the Kaleidoscope are people who have taken time and energy to put together a well organized and interesting magazine.

F.B.L.A.

The Future Business Leaders of America Club is important in the shaping of our future business men and women. This club has done a fine job of showing these people how to run and own businesses.

This club has been very successful in the past and will be in the future because of the interest and dedication to it.

DECA

The people in this club deal with the concepts of work. They run a store of their own, and do very well. This club has been successful in the past, and by the looks of the dedication involved, will continue.

to be in the future because we believe the people who join are determined and very conscientiously hard working.

This club takes care of the audio-visual equipment in BHS. These people keep the faculty well equipped with audio-visual equipment they may need for more effective teaching.

Without these people, we would not have the equipment that is necessary for good learning.

Drama Club

The drama club is made up of people who are interested in acting. These people learn how to act and what goes on behind the scenes as well.

These people work hard to produce the fine work that they have, and they deserve a great deal more recognition than these few sentences can give them.

Rap Group

These people discuss many things of great importance. They never come up with answers, but knowing these problems, and people's feelings about them, can help one become aware of others feelings.

BEAUTY

There is beauty in life,
It is there for the finding.
There is beauty in thought,
It is there for the thinking.
There is beauty in learning,
It is there for the wanting.
There is beauty in love,

It is there for the feeling.
Life has beauty,
Thought has beauty,
Learning has beauty,
Love has beauty.
Find it, want it, feel,

SCHOOL LIFE

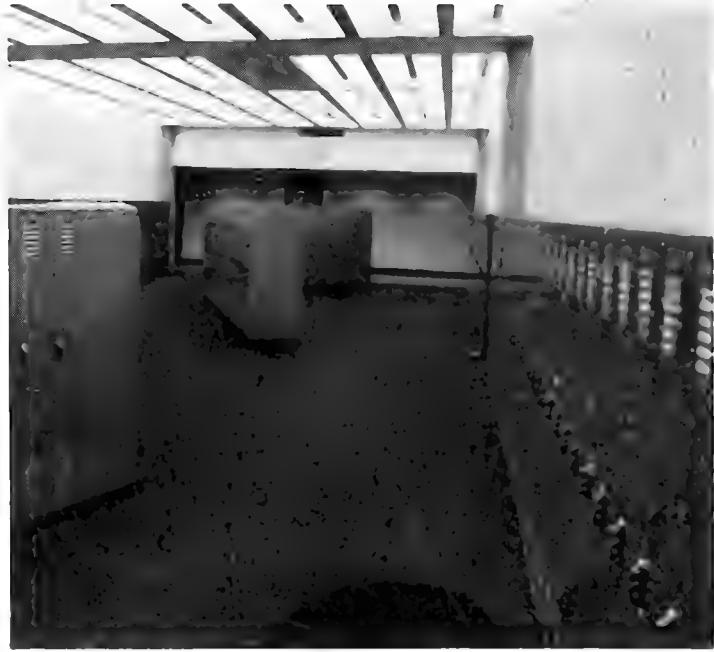

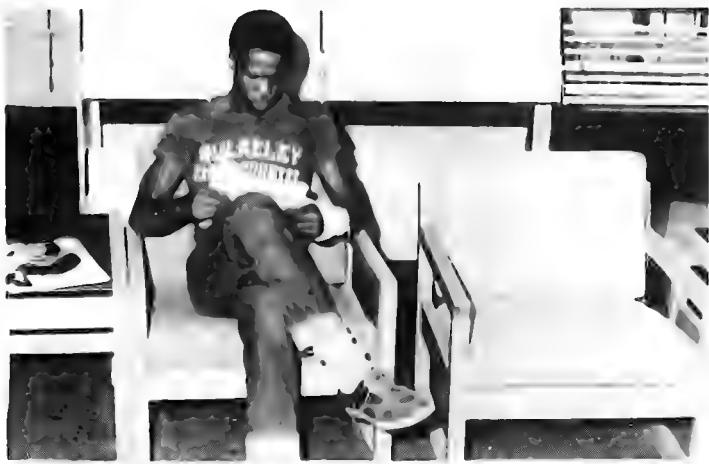

You are the one
that has to decide
whether you'll do it
or toss it aside

You are the one
who makes up your mind
Whether you'll lead or
linger behind

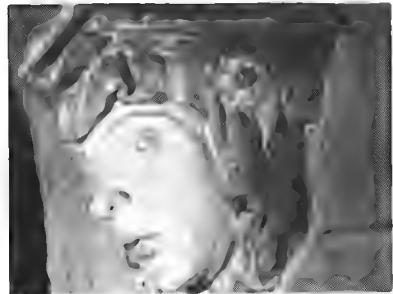

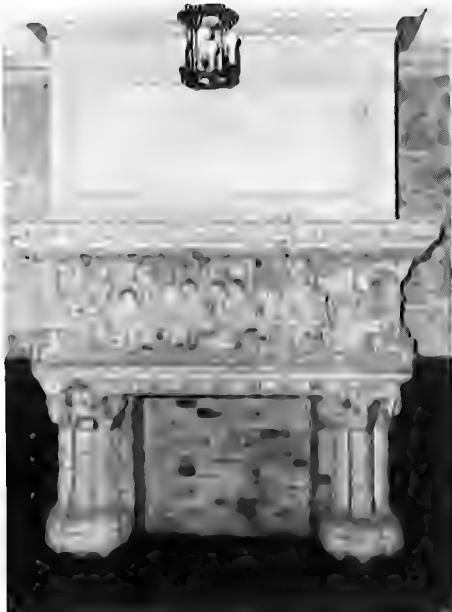

We look at our new building: the brightly colored walls and lockers, the carpeting, and all the rest that says new . . .

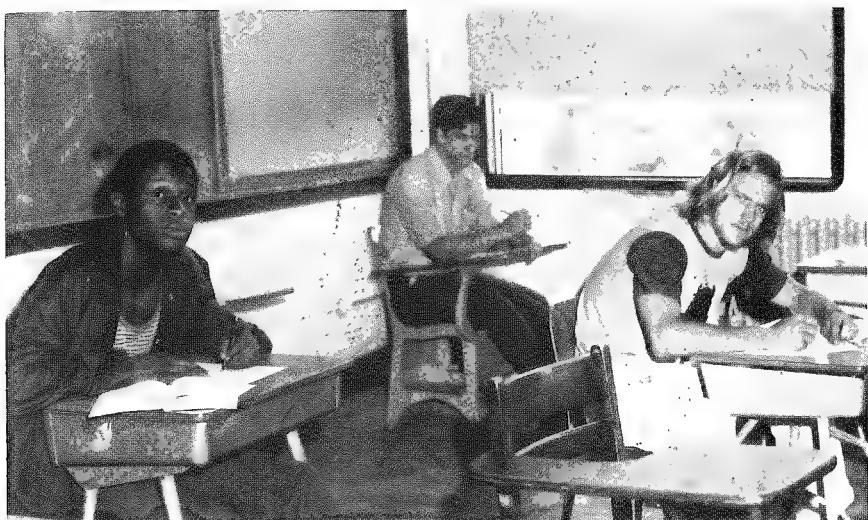

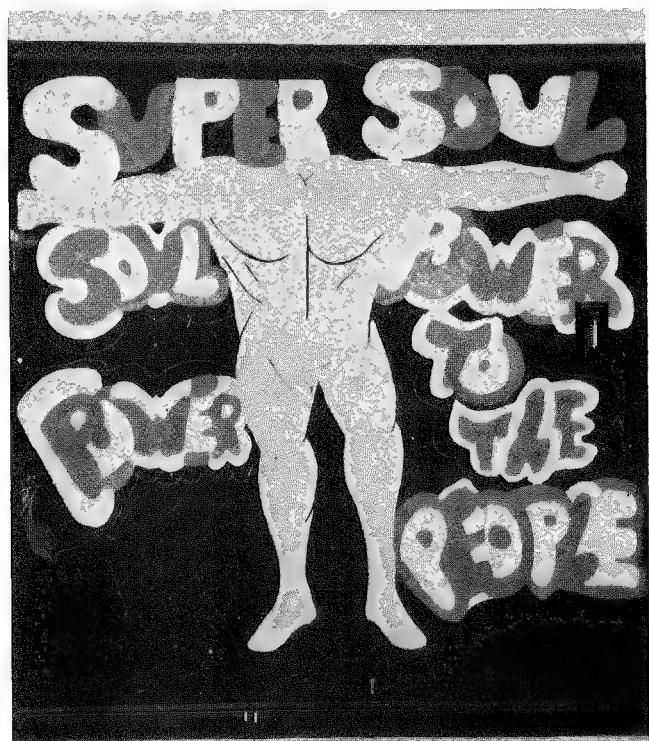

... But somewhere in the back of our minds,
the old school lingers on .

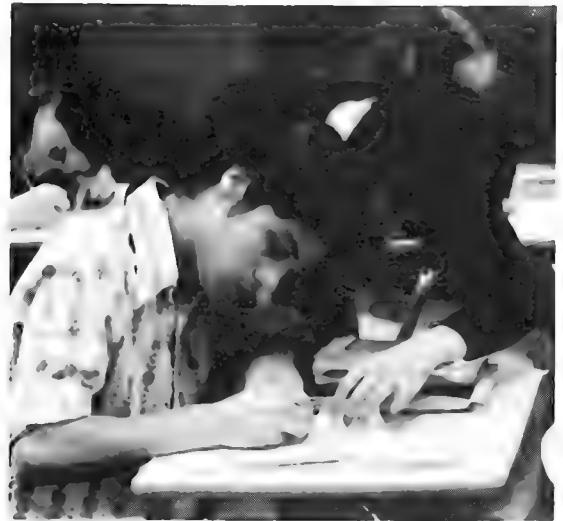

Things have changed, just as we have.

Learning together, the first major step in our growth.

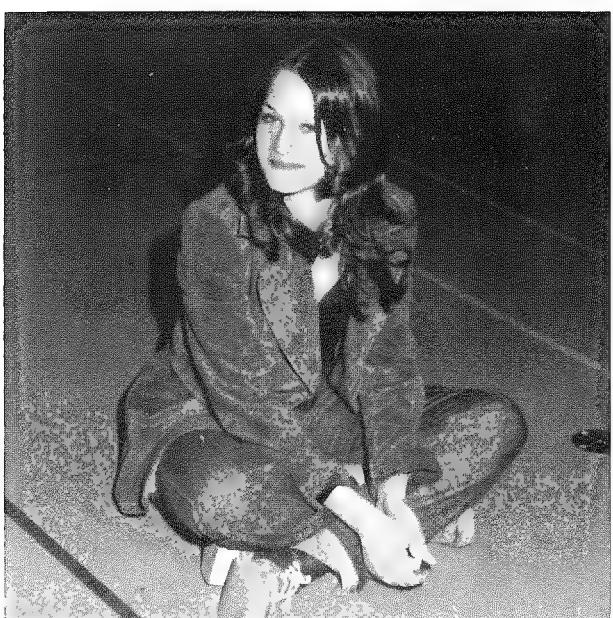

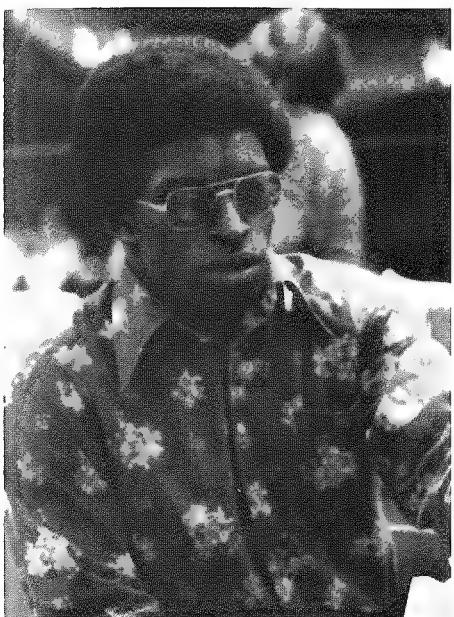

Watching others, gaining from them a little of yourself.

Each person is an individual with his or her own ideas, life style, and personality.

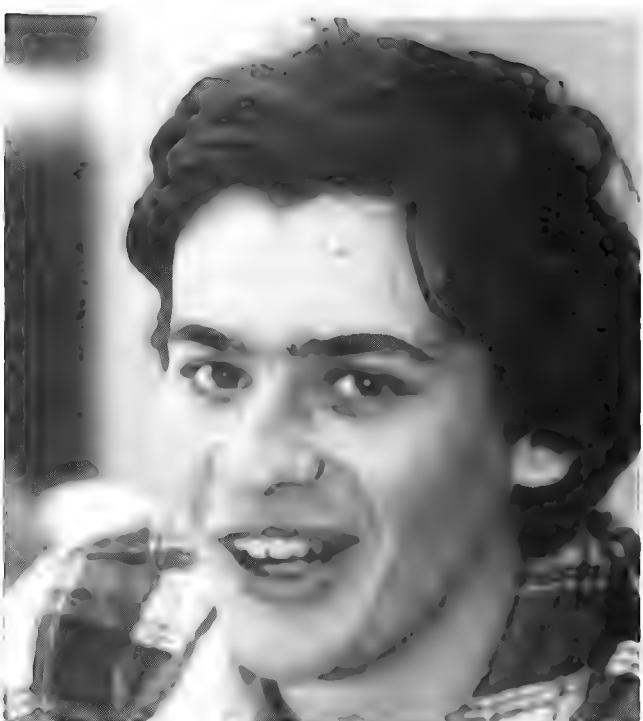

Each of us has a responsibility to respect one another as individuals.

We should all recognize that we are all different yet beautiful within, in our own way.

Gym,
although its equipment
is newer, its purpose
hasn't changed. To build our bodies
and minds in twelve grades.

Sports, as an outgrowth of physical education, acts as that part of the total educational process which is concerned with the development of the physical, social, emotional and intellectual growth of the individual through which he may become changed or educated in socially desirable ways; acting as a fundamental form of human expression and an essential form of non-verbal communication.

The Bulkeley High Football Team, which consists of 6 seniors and 26 underclassmen, finished with a .500 season with a 5-5-0 record after beating Wethersfield High 38-20 in a Senior Bowl Thanksgiving Day Game. We would like to give special thanks to the seniors who all had played well that day and throughout the year. We would like to thank the whole football team and the coaching staff for their hard work and dedication in making this season a respectable season for our new school.

This year the soccer team was more impressive than ever before. Under the supervision of coach Frank Budaj, the team had an overall record of 16-1. They went into the quarter finals with a 15-0 record and won 2-0 against Staples, the contenders for the past six years. Although they lost the championship to Brian McMahon 2-0, they put up a great defense. We'd like to congratulate the team for its outstanding season.

Track

Cross Country

FRONT ROW: L to R. Manager Tina Mercouriou, Jose Diaz, Joe McSwegan, Coach Roger Verrefeuille.
BACK ROW: L to R. Joe Tyrack, Bill DeVale, Dana Jolie, Mike Neely, Steven Jackson, David Peluso.

Basketball

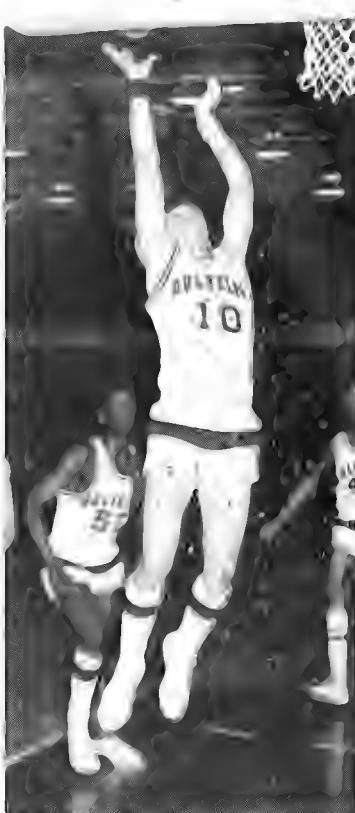

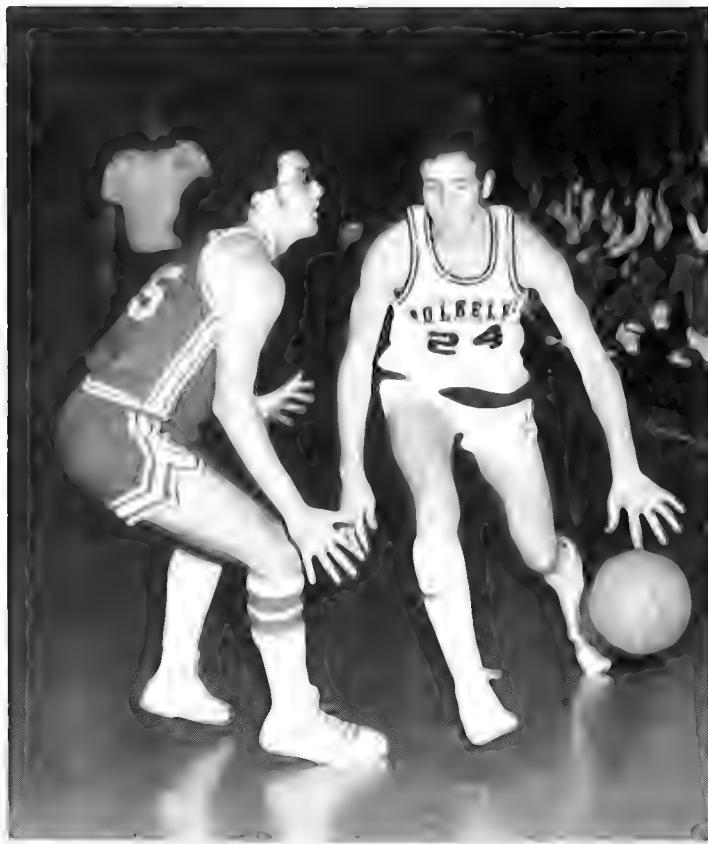

FIRST ROW: L to R. Charlie Shorter, Marty Crane, Wilfred Collazzo, Kenny Donlin, Marc Coleman.

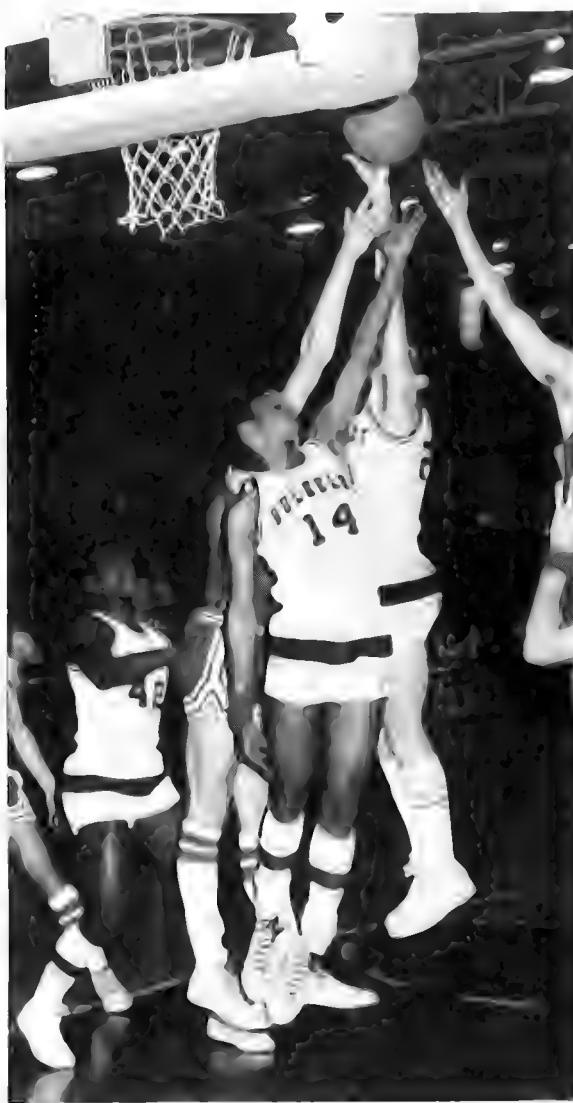

SECOND ROW: L to R. Coach Joe DiChara, Mike Johnston, Tim Pitkin, Terry Paluch, Steve Faulkner, Winston Blake.

This year's Bulldog Basketball team had their ups and downs in a struggle to reach their 8-12 record. They were 2-8 in conference play and came up short in their try for a tournament berth.

They are losing five seniors who have contributed a great deal to this year's squad. Co-captain, Paul Ciotto a point guard, had five assists per game and was a valuable asset on both ends of the court. Co-captain Steve Faulkner was the leading scorer as well as holding the rebounding honors. Ken Donlin helped out in the scoring department, and was also capable of playing tenacious defense. Tim Pitkin, a sparkplug off the bench, gave the team some of the needed depth and rebounding power. Willie Montford pitched in with his quickness and outstanding defensive ability. We would like to congratulate the team for their excellent playing throughout the 75 season.

Indoor Track

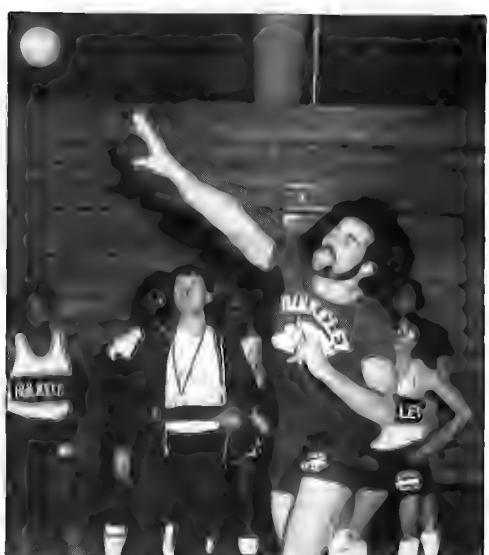

FRONT ROW: L to R. Rodney DesRosiers, Al McFadden, Michael Curry, Wallace Bouier, Robert Standifer.

SECOND ROW: L to R. Coach Graham Martin, Ruben Googe, Jimmy Williams, Lewis Myrick, Covin Smith, Glen Spencer.

The Bulkeley Indoor Track Team is a young team, but with great potential. Even though the season was not exceptional, they did give a hundred percent. There were also a couple of individual records this season with Michael Curry breaking the record in the 300 yard dash with a time of 31.6 and Al McFadden in the mile run with a time of 5:40. We would like to congratulate the team for working hard and never giving up.

Wrestling

FIRST ROW: L to R. Managers Tina Mercouriou, Georgia Trienis.

SECOND ROW: L to R. Bobby White, Tom Torgia, Billy Pelletier, Capt. Jim Barnicle, Joe Tyrseck, Ernie Johnston, Ray Ciccaglione, Pepe Vazquez, Ray Cruz, Dan Correa.

THIRD ROW: L to R. Ronnie Collins, Tom DeForge, Arcadio Datil, Jasper McFadden, Capt. Tony Milner, Victor Gerena, Mike Lynch, Charles Ferguson, Coach Dennis Nogiec, Manager Peter Trymbalik.

FOURTH ROW: L to R. Coach Roger Vertefeuille, Ralph Dias, Ronnie Mann, Steven Burke, Bill DeVille, Henry Fernandez, Ruben Matos, Manny Rose.

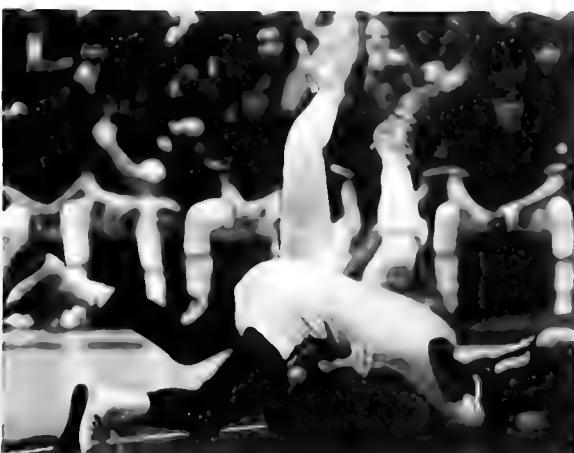

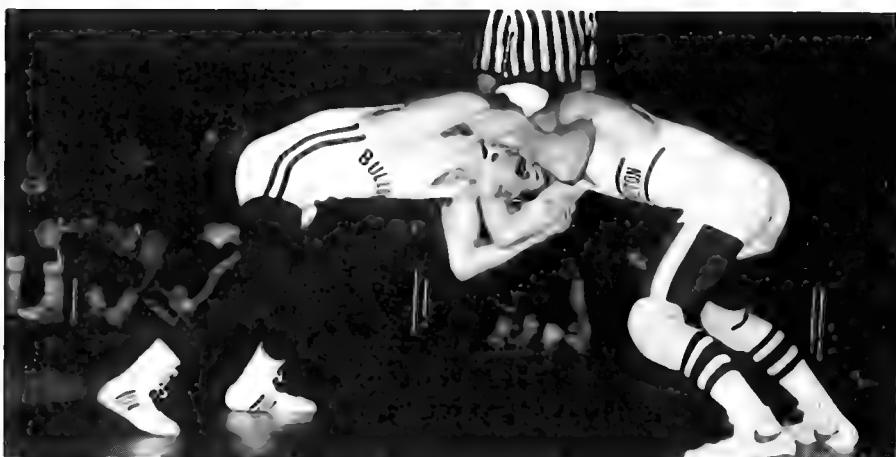

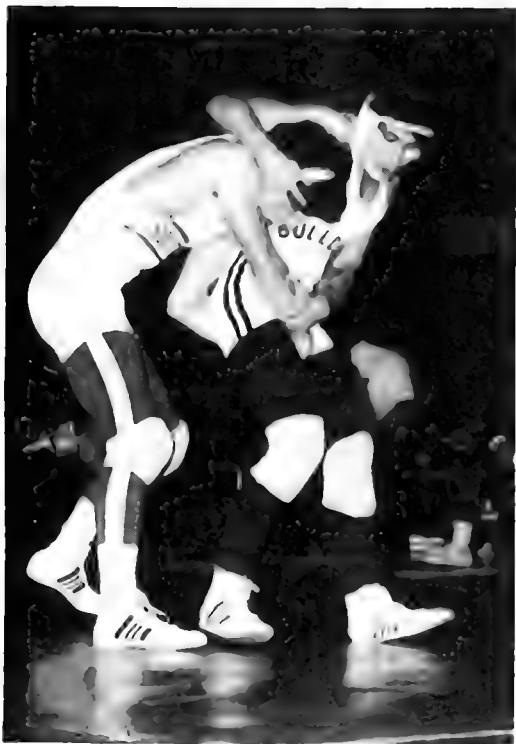

ABSENT: Miguel Sanchez and Mike Neely.

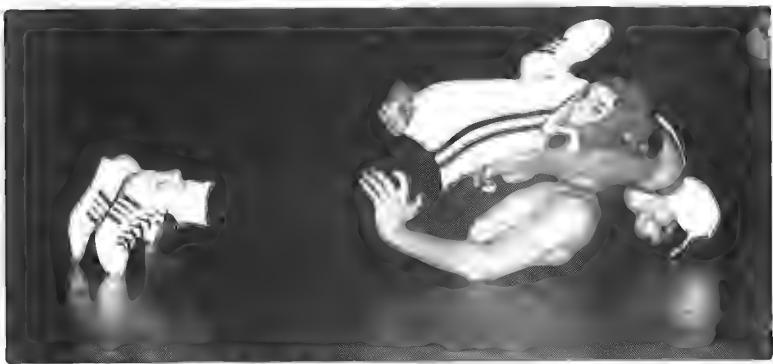

With the graduation of seven seniors, the outlook for the 74-75 wrestling season was bleak. But through hard work and quick maneuvering, Mr. Vertefeuille blended the right amount of experience and youth to pull off a highly successful 13-3 season.

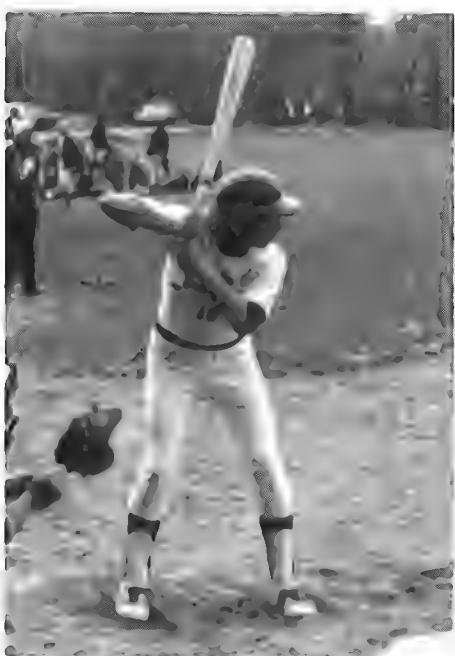

Bulkeley did lose its first C.D.C. match to Fitch, but it did capture the conference title as well as the city title for the sixth straight year. Outstanding seasonal records were turned in by Capts. Jim Barnicle 14-1-1 and Tony Milner 11-5. Also, Mike Neely with a 15-1 record and Pepe Vazquez 16-0 had excellent seasons. Vazquez also clinched the 98lb division title at the Conn. State Open. The other senior members on the team were Miguel Sanchez, Ernie Johnson, Joe Tyrseck, Mike Lynch and Arcadio Datil.

Bulkeley's wrestling team was conference and city champions, and the number 11 team in the state.

Liz Fitzgerald and Fran Vandermeer, senior captains, led the team in scoring, averaging 13 and 9 points, respectively during the past two seasons. DeDe Cashman also a senior, improved greatly and developed into an all-around aggressive player. Both junior and varsity players showed great sportsmanship throughout the season, and gave all they had!
